

Our Founder and Grand Admiral:

Earl O'Brien (Sep 11, 1937 – Nov 4, 2019) spent his life creating opportunities for kids to enjoy sports and life, even if disadvantaged, disabled, or dealing with catastrophic disease. In 2005 Earl launched an offshore fishing tournament benefiting St. Jude Children's Research Hospital, and was instrumental in keeping the tournaments going and focused on the needs of hospitalized children. He truly lived the Kiwanis mission of "improving the world one child and one community at a time."

All net profits from both 2021 events support pediatric care at North Ottawa Community Health System, Child Life programs at Helen DeVos Children's Hospital, and additional Child Life and youth adaptive sports programs at four Michigan hospitals via the Kiwanis of Michigan Foundation. Proceeds are distributed by the Tri-Cities Kiwanis Foundation, a 501(c)(3) organization, based on the total amount raised and sponsor preference. The maximum amount of your contribution that may be considered to be a charitable contribution is limited to the excess of your contribution over the value of the goods and services provided by the Tri-Cities Kiwanis Salmon Tournament.

Tri-Cities Kiwanis **SALMON TOURNAMENT**

**Thursday, May 27 and
Thursday, July 29, 2021**

The Tri-Cities Kiwanis Salmon Tournaments combine support for pediatric care with a fun day of energetic and enjoyable fishing for young patients, sponsors and guests!

All net proceeds of our two annual Salmon Tournaments support pediatric care at North Ottawa Community Health System (NOCHS), and Child Life programs at children's hospitals in Michigan including DeVos Children's Hospital and Mary Free Bed Rehabilitation Hospital.

Tournament sponsors are assigned to professional charter boats for a morning of exciting salmon fishing on Lake Michigan. Each boat holds up to six participants, and sponsors can invite family, friends, employees, or customers to fish on their boat... or simply donate.

The tournament also offers fishing opportunities for young patients of our beneficiary hospitals. **We greatly appreciate the sponsors who provide fishing for our "Patient VIPs"!**

Grand prizes are awarded for the largest fish in Sponsor and Patient VIP categories. Additional prizes are awarded by drawing, and a fun prize is awarded to the smallest fish of the day.
